

NOTICE TO RESIDENTS

RE-CONSTRUCTION OF THE D STREET STAIRWAY

PROJECT NO. CIP- 957

Dear Resident:

D Street Stairway will be closed for reconstruction starting Monday, June 15th.

This flyer is to prepare residents who use the D Street Stairway to identify alternate routes to El Camino Real in advance of the closure. Pedestrians may consider using the E Street Stairway, or sidewalks along B Street, C Street or F Street as alternate routes of travel. Barring any unforeseen circumstances, pedestrians will be able to cross El Camino Real in the marked crosswalk located at D Street.

The D Street Stairway is projected to be closed and under construction until October 2009, approximately 5 months. A portion of the D Street Cul-De-Sac will be fenced off for equipment and material staging for construction.

The Town will provide periodic updates on the progress of this project via Livewire and the Town website – www.colma.ca.gov.

Thank you in advance for your understanding and patience. If we can answer any questions or concerns you may have now or in the future, please feel free to call (650) 757-8888 or write public.works@colma.ca.gov.

Sincerely,
The Town of Colma Public Works and Engineering Department
